(Designation) Director of Industries,

To The Secretary to the Government of Madras,
Development Department.

Sir,

I submit for the sanction of Government the following proposals for the constitution of a Board of Examiners for the Government Industrial School, Bellary. As in the cases of the Government Industrial School, Madura and the Trade School, Mangalore, the Board of Examiners for the Bellary School will consist of the Superintendent of the school and one technical qualified gentleman not connected with the school. I propose that the Inspector of Factories IV Circle, Bellary, be nominated as an examiner so long as the holder of the post holds mechanical or electrical engineering qualifications. The present incumbent of

the post was for a time employed in this department as Lecturer in charge of the Government Trade School (since renamed Government School of Technology), Madras, and possesses the requisite qualifications for the post of examiner. The Commissioner of Labour, whom I have consulted, has no objection to allowing the Inspector of Factories to undertake the work. The examiner will be paid the usual remuneration of Rs 100/- per annum. The tenure of the appointment may be sanctioned for three years from 1st August 1934. I request that my proposals be approved by Government.
